<sup>1</sup> OMV decided to not pursue any future investments in Russia. As a result, Russia is no longer considered one of OMV's core regions.

<sup>2</sup> In addition, OMV holds participations in exploration licenses in Bulgaria, Georgia, Australia, and Mexico.

## Refining & Marketing

OMV's Refining & Marketing business refines and markets fuels and natural gas. It operates three inland refineries in Europe and holds a strong market position in the areas where its refineries are located, serving a strong branded retail network and commercial customers. In the Middle East, it owns 15% of ADNOC Refining and ADNOC Global Trading. The processing capacity of its refineries amounted to around 500 kboe/d.
